BUSINESS PROFILE

BUILDING INNOVATION FOR
CREATIVE SOLUTIONS

ABOUT THE COMPANY

Building Innovation for Creative Solutions

Eirene is an incorporated company founded in 2011 in the Republic of Trinidad & Tobago. Our diverse portfolio provides service offerings in the fields of Business, Project Management, General Contracting, Maintenance services and Construction Consulting and Media Services.

All projects are executed by knowledge-intensive personnel who are highly skilled, experienced and committed to delivering projects within budget, timeframe, and scope.

Eirene creates rewarding business relationships by connecting with our broad network of organizations, industry partners and suppliers. Our strategic business approach has enabled us to complete numerous projects in both the private and public sectors.

Eirene through partnerships has developed a team of professionals focused on Civil Engineering for the construction of large structures in public and private infrastructure, including heavy civil structures, roads, water reticulation and pipelines. We ensure that the best solutions can be found for each new project no matter the size or challenge.

OUR MISSION

To be leaders by maintaining the highest level of professionalism, integrity and honesty, in our business dealings.

OUR VISION

To become a leader in all our business sectors through our commitment to total customer satisfaction.

OUR CORE VALUES

Bring Your Project to Life With our Creative Services.

The foundation of Eirene's ongoing success and development lies in preserving the trust of our customers, employees, shareholders and other third parties.

Our flexible, decentralized organization enables each employee to exercise the autonomy required of their respective corporate responsibilities to our company. Our employees are committed to operating in support of our company's ethics and governing laws of the country. We express our core values as follows.

SAFETY

The safety of our employees and the public is everyone's responsibility, We plan safety in every aspect of our work and do not deviate from that plan, We strive for zero incidents.

INTEGRITY

Our business conduct includes the highest level of honesty, ethics, and moral correctness. We do not compromise employees, customers, or our company.

RESPECT

Respect is the basic rule of behaviour that guides every employee in all of her or his actions: respect for oneself and respect for other employees, customers, third parties, the trade unions, society at large, company principles, laws and regulations, the environment, fairness, and ethics in the broadest sense.

OUR CORE VALUES

Bring Your Project to Life With our Creative Services.

TEAMWORK

Our culture of teamwork allows us to work together within the Company, and with our customers to deliver better solutions and collectively accomplish our goals. Entrepreneurship. We thrive to impact emerging markets while embracing improvement and novel models in our industry.

TRANSPARENCY

Our actions match our words. Each day we strive to earn our reputation rather than simply manage it. To that end, we operate in a way our integrity and values cannot be questioned.

LEADERSHIP

Daily, we give the best of ourselves and strive constantly for quality while demonstrating the highest level of professionalism. We lead by example.

ACCOUNTABILITY

Our hierarchical structure contains both individual and systematic accountability at all levels.

TRUST

Relations within the company are based on trust, gender equality and equal compensation for services rendered. This is our cornerstone of autonomy, frankness, and authenticity. We foster the mantra that 'it's not about you or I but about us working together'.

OUR SERVICES

Bring Your Project to Life With our Creative Services.

PM

Project Management

Our licensed Project Managers focus on the service and maintenance of client contracts. We offer practical solutions to get the jobs done properly and efficiently.

QS

Quantity Surveyors

Our surveyors are experienced in the pricing of residential, commercial, and industrial projects. Our team's systematic approach and attention to detail are critical to the strong impact of our Quantity Surveying service.

H&S

Health & Safety

Our Health and Safety professionals have accumulated 20+ years of experience. They share a passion for Health and Safety and boast a wealth of knowledge in this discipline. Our Health & Safety experience spans various industries including construction, manufacturing, engineering, energy and marine.

ENG

Engineering

Our engineers bring years of experience to Eirene in civil, structural and road engineering fields. We determine feasible solutions that provide quality and efficient designs to clients. Designs are based on a comprehensive understanding of the latest applicable building codes, material specifications, and engineering practices.

A&B

Architecture & 3D Building

Our architects attend to our client's needs, prioritizing our strategic design principles to match those needs. Throughout the design process, we understand the need to focus on our clients' budgets and schedule parameters. Our architects aim to create functional spaces within beautiful aesthetic environments.

CLIENT TESTIMONIALS

Aria Nanan

Sport Company

"Eirene is one of the best general contractors we've worked with. The entire team tactfully delivered a project of exceptional quality while staying on schedule and under budget. We hope to work with Eirene again in the near future!"

Vincent Clement

Vamed

"Part of the challenge of going into a new market is committing to build a relationship with a Eirene. It's a leap of faith to trust them with building your vision on budget, on schedule, and with attention to quality.

Eirene has exceeded our expectations, and we consider them one of our trusted partners in the Trinidad & Tobago market."

Rachael Alfred

NIPDEC

"Thank you for guiding us through the construction process, being kind, understanding, and always ready to accommodate our needs. We love our new space and know that it was built by the very best!"
